GOLDEN GUARANTEES

We stand behind all our Plumbing, Heating, Cooling and Electric Services.

We value your time Guarantee.

Our call center is open 24 hours a day, 7 days a week and when you call, you will always speak with a live person. Our experienced customer service representatives will schedule an appointment that is convenient for you. Before our Service Expert arrives at the appointed time, we will give you a call so you don't have to waste your valuable time waiting or worrying.

We value your safety Guarantee.

Our Service Expert will arrive in a Addario's truck, wearing an Addario's uniform. All of our Service Experts carry identification cards, which you may ask to see before letting them in your home. Addario's is fully licensed and insured for your safety and protection.

We value your home Guarantee.

Our Service Experts use floor protecting shoe covers and tarps to protect your home. We make sure they leave your home's interior in the same condition it was in before they arrived. If we don't get it to your satisfaction we will clean your home.

We value your satisfaction Guarantee.

We agree to accept responsibility for your complete satisfaction with the materials we use and the workmanship we provide. During the first year, if you are dissatisfied with the performance of the equipment, our service or our people for any reason, we will do whatever it takes to make it right and correct the problem to your satisfaction.

Workmanship Guarantee

Our installation experts are the best in skill, attitude and workmanship. We provide ongoing training keeping them up to date with new market developments. That means you get the most knowledgeable Service Expert in the business. They will care for your home and complete the job in a timely manner with precision. They will clean up when they are finished and will take personal responsibility for your satisfaction. They will not smoke or swear in or near your home and are drug free. If, when they have finished in your home they have not performed in accordance with these high standards, we will refund whatever portion of the purchase price you feel to be fair and reasonable.

Energy Savings Guarantee

Addario's guarantees that your family will enjoy the stated savings based on fuel consumption or we will pay you double the difference for one full year.

"No Lemon" Guarantee

Manufacturer's have admitted that 3% of their equipment comes from the factory with some kind of defect. We guarantee that when the equipment we have installed is maintained and operated in accordance with the manufacturer's operation and maintenance manuals, should your compressor or heat exchanger fail in the first five years...we will replace it with a brand new current model free of charge.

One Year "Test Drive" Guarantee

If you are unhappy with your installation and we cannot fix it, we will remove the system and refund 100% of your original investment at any time during the first year.

PERIOD.
